

Storage Service Rates

At PC Logistics Services, everything is calculated per standard pallet. *

Standard Pricing :

- Weekly Storage \$12 (An invoice will be automatically issued for all your pallets stored overnight from Saturday to Sunday)
- Monthly Storage \$28 (An invoice will be automatically issued for all your pallets overnight on the last day of the month)
- Receiving \$10 (+ storage)
- Shipping \$10

Additional Services:

- Standard pallet building \$10
- Same-day service \$45 fee . A minimum 2-hour lead time is required.

Discounts Issued Automatically :

- All receiving or shipping handled by our carrier, PC Services Transport, will receive a 2% discount applied to this order.

Please contact your representative for any other custom services or to receive additional discounts.

*: Standard pallet dimensions and weight

-117 cm (46") wide X 122 cm (48") deep X 183 cm (72") high

-Maximum weight: 450 kg (1000 lb).

-Any pallets that are larger or heavier will be billed based on the maximum standard-pallet space or weight used.
